International Epigenetics and Epitranscriptomics Conference

September 17-18, 2018 Dubai, UAE

Theme: The Evolving Landscape of Epigenetic Research

Organizing Committee

Sergey Suchkov

Director
Sechenov University
Russia

[Biography](#)

[Research Interest](#)

Ting-Yuan (TY) TU

Professor
National Cheng Kung University (NCKU)
Taiwan

[Biography](#)

[Research Interest](#)

Deng, Xiyun

Professor
Xiangya Medical College ,China
China

[Biography](#)

[Research Interest](#)

Brij. M. Gandhi

CEO and founder
NeoBioMed Services
India

[Biography](#)

[Research Interest](#)

Seyed Massoud Houshmand

Head of the Genetic Diagnostic Lab
NIGEB
IRAN

[Biography](#)

[Research Interest](#)

Deven Patel

CEO, President
Global Institute of Stem Cell Therapy and Research (GIOSTAR)
U.S.A

[Biography](#)

[Research Interest](#)

JOEL I. OSORIO

CEO and Founder
Westhill University School of Medicine, Mexico
Mexico

[Biography](#)

[Research Interest](#)

[Ali Karami](#)

Professor
Baqyatallah University of Medical Sciences
IRAN

[Biography](#)

[Research Interest](#)

[D. Roukos](#)

Professor
Founding Director & Professor Center for Biosystems and Genome Medicine
Greece

[Biography](#)

[Research Interest](#)

Kenji Suzuki

Professor
Tokyo Institute of Technology
Japan

[Biography](#)

[Research Interest](#)

Abdul-Mohsen Alhejaily

Assistant Professor
King Fahad Medical City
Riyadh, Kingdom of Saudi Arabia

[Biography](#)

[Research Interest](#)
