International Conference on Structural Biology and Proteomics

Bangkok , Thailand

September 3-4, 2018

Organizing Committee

Henry M Sobell

Professor

University of Rochester , USA

Biography :

Henry M. Sobell completed his studies at Brooklyn Technical High School (1948-1952), Columbia College (1952-1956), and the University of Virginia School of Medicine (1956-1960). Instead of practicing Clinical Medicine, he then went to the Massachuse... [Read more](#)

Research Interest :

Solid State

Dr. Brij. M. Gandhi

CEO and founder, Department of Biotechnology, Ministry of Science and Technology, Government of India

Neo BioMed Services , India

Biography :

Founder Partner and CEO, NeoBioMed Services, providing consultancy and services related to regulatory affairs, technology transfer and entry India issues for APIs, pharmaceuticals, biopharmaceuticals, medical devices including bioimplants, regenerati... [Read more](#)

Prof. Dr. Kurt Kremer

DIRECTOR, PHYSICS

Max Planck Institute for Polymer Research , Germany

Biography :

Kurt Kremer joined the Max-Planck Society in September of 1995 as the sixth director of the Max-Planck Institute for Polymer Research, heading the newly established theory group. After studying physics he received his PhD in 1983 from the University ... [Read more](#)

Wlodek Minor

Professor,, Molecular Physiology and Biological Physics

University of Virginia School of Medicine , USA

Biography :

MS, Physics, University of Warsaw, Poland BS, Physics, University of Warsaw, Poland PhD, Solid State Physics, University of Warsaw, Poland

Research Interest :

Solid State

Abbas Amini

Western Sydney University , Australia

Biography :

Dr Abbas Amini is currently an assistant professor at ACK and Western Sydney University, Australia. After obtaining PhD from the Hong Kong University of Science and Technology (ranked 17th in Engineering among the universities worldwide), he conducte... [Read more](#)

Prof. Xue

Associate Professor, Division of Life Science and Applied Genomics Center
Hong Kong University of Science and Technology Hong Kong SAR, China , Hong
Kong

Biography :

Prof. Xue obtained her first degree from the Shanghai Second Military Medical University in 1983, Ph.D. from the Institute of medical Sciences and Department of Biochemistry, University of Toronto in 1992, and carried out postdoctoral studies at the ... [Read more](#)

Research Interest :

type-A gamma amino butyric acid (GABAA) receptor, the major inhibitory neurotransmitter receptor, including the structure, function, genetics and pharmacology aspects of GABAA receptor and its involvement in neuropsychiatric disorders such as schizop... [Read more](#)

Dr A S Kolaskar

Vice Chancellor, Bioinformatics

The Neotia University , India

Biography :

With over 20 years of experience as a researcher in bioinformatics and as an educator at a university level, Ashok S. Kolaskar has played a key role in shaping India's educational direction. Currently, Kolaskar splits his time between being the Honor... [Read more](#)

Gautam SETHI

Associate Professor, Department of Pharmacology

National University of Singapore , Singapore

Biography :

Associate Professor

Shalen kumar

Aptamer researcher and AuramerBio Ltd CTO, Biological Science

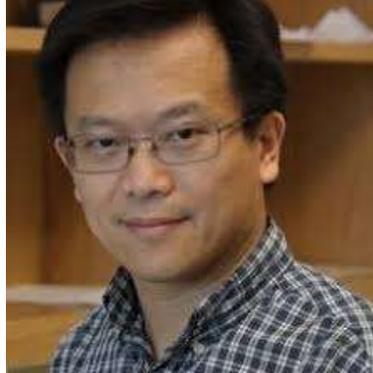

Victoria university of wellington , New Zealand

Biography :

Aptamers Researchers

Research Interest :

Dna, Amplification, Aptamers

Qiu-Xing Jiang

Associate Professor, Life Science

University of Florida Interdisciplinary Center for Biotechnology Research , USA

Biography :

Qiu-Xing Jiang, PhD, came to the United States to earn his PhD at Yale University and later pursued a postdoctoral position at Rockefeller University. Upon completion, he became an assistant professor at the University of Texas Southwestern Medical C... [Read more](#)

Dr. Biily Chow

Chair Professor, Life Science

City University of Hong Kong , China

Biography :

2010 Research Output Prize, By The University of Hong Kong. 2007 Akira Arimura Young Investigator Award: By the international VIP/PACAP society. In memory of Prof Arimura who founded this research area, I was awarded the first Akira Arimura young inv... [Read more](#)

Panat Anuracpreeda

Associate Professor, molecular bioscience

Mahidol University , Thailand

Biography :

He is an associate professor of Mahidol University and belongs to Molecular Bioscience Department. He is associated with Institute of Molecular Bioscience. His research interest in Parasite Immuno-molecular biology.

Prof. Umesh Yadava

Associate Professor, PHYSICS

Deen Dayal Upadhyaya Gorakhpur University, Gorakhpur 273009, INDIA , India

Biography :

Prof. Umesh Yadava, started his career as Lecturer at MGPG College, Gorakhpur in 2001. He joined Department of Physics, DDU Gorakhpur University in 2003. He is the recipients of DST Young Scientist under FAST Track Scheme, and UGC Raman Fellowship Awa... [Read more](#)

Mok Yu-Keung, Henry

Associate Professor and Deputy Head of Department, Biological SCIENCE

National University of Singapore , Singapore

Biography :

Henry, Yu-Keung MOK M. Phil. (CUHK), D. Phil. (Cambridge) Assistant Professor, Department of Biological Sciences National University of Singapore

Gautam thakur

Associate Professor, Department of Biomedical Engineering

Manipal Institute of Technology , India

Biography :

Qualification: B. Pharm.(Pharmaceutical Sciences), ME (Biomedical Engg.), PhD (Medical Science and Technology)
