Description

Early this year beginning, the 8th Annual STEM 2012 Conference, was held in Hyderabad, India at Marriott Hotel on January 31-February 1, 2012, which focused on Basic Stem cell biology, Stem cell Research, Application & Therapy, Stem cell Trials, Technology in Stem cell research, Regenerative Medicine & Tissue Engineering and Intellectual Property issues and norms. The conference was inaugurated by Dr. Geeta Vemuganti, Dean-School of Medicine, University of Hyderabad.

The key areas were addressed by eminent speakers like Dr. B M Gandhi, Former Advisor to Govt. of India, Dept. of Biotechnology, Padmashri Dr. Ranjit Roy Chaudhury, Chairman-Task Force for Research, AHERF(Apollo Hospitals Education & Research Foundation), Dr. Polani Seshagiri, Institute of Science, Bangalore, Dr. Md. Aejaz Habeeb, Director, CLRD(Centre for Liver Research & Diagnostics), Hyderabad, Dr. Deepa Bhartiya, Senior Scientist, NIRRH, Dr. Gopal Pande, Sr. Scientist, CCMB, Hyderabad, Dr. Rao Papineni, Sr. Principal Investigator, Carestream Health Inc. USA, Dr. Olaksandr Kukharchuk, Former Research Director, Institute of Cell Therapy, Ukraine and current Research Director, Emprocell Clinical Research Pvt Ltd, Mumbai, Sanjay Ganapathi, Span Healthcare, Dr. John Wotherspoon, BD Biosciences, Australia and other Scientists and Researchers.

Please see STEM 2012 by visiting our website: www.srmte.org

Next year, STEM 2013 Conference will be focusing on latest trends in Stem cell research and application, Cell based Therapy, Trials involving Stem Cell, Regenerative Medicine and Tissue Engineering. IPR, Patent and Licensing, Ethical norms, Investments and Funding, Insurance and Logistics - inviting leading Biotech and Pharma companies, Scientists, Hospitals, research Institutes, Companies into Instrumentations and other Support systems, Investment, Private Equity and Venture capital firms, Patent and IP firms.

Confirmed Speakers as on date:

Dr. Vivek Tanavde, Principal Investigator, Bioinformatics Institute, Singapore
Dr. B M Gandhi, Former Advisor, Govt. of India, Dept. of Biotechnology and current CEO of Neo Biomed, New Delhi
Dr. Deepa Bhartiya, Senior Scientist, NIRRH (National Institute of Research in Reproductive Health), Mumbai
Dr. Gopal Pande, Scientific Officer, CCMB (Centre for Cellular Molecular Biology), Hyderabad
Dr. Vaijayanti Kale, Scientist, NCCS (National Centre for Cell Science), Pune
Dr. Arvinder Singh, BD Biosciences, India/Australia
Dr. Milind Antani, Nishith Desai Associates, Mumbai
Speaker from Sigma-Aldrich, USA

Confirmed Companies:

Eppendorf
Sigma-Aldrich
BD Biosciences
ThermoFisher
Merck Millipore
SR Biotechnologies
Indus Instruments Impex Pvt Ltd
Lonza
International Stem cell Services Ltd

For Sponsorship/Exhibitor ship/Delegate, contact:

Sankar Iyer
Organizational Secretary
