

ICGEB AFFILIATED CENTRES

CALL FOR PROPOSALS TO HOST COURSES, WORKSHOPS, RESEARCH MEETINGS IN **2002**

*OPEN ONLY TO ICGEB AFFILIATED CENTRES IN MEMBER STATES
AS SPECIFIED IN ANNEX A TO THIS INFORMATION SHEET*

PLEASE READ THE INSTRUCTIONS INSIDE CAREFULLY BEFORE COMPLETING THE FORM

As part of ICGEB's training programme, short term intensive courses on techniques of biotechnology are conducted annually at ICGEB Affiliated Centres. The objective of these courses is to train scientists and technologists in the theory and practice of advanced biotechnology research, as well as addressing subjects and priorities of a regional nature. The duration of the course may not exceed 10 working days.

The programme also accommodates proposals for research workshops, symposia and conferences, hereinafter referred to as meetings, intended to disseminate scientific knowledge and enhance interaction of researchers and policy makers from ICGEB Member States.

- Proposals must be submitted by the Organiser using Forms A and B.
- Form A must be signed by the Organiser and be endorsed by his/her Liaison Officer (see Form A for name and full coordinates). Forms submitted without the necessary signatures and endorsements **will not** be considered.
- All proposals are reviewed on merit. Preference, however, will be given to Affiliated Centres which have not organised ICGEB courses/meetings in the past.

**CLOSING DATE FOR RECEIPT OF ENDORSED APPLICATIONS AT ICGEB TRIESTE:
ON OR BEFORE 15 JUNE 2001**

INSTRUCTIONS FOR THE PREPARATION OF PROPOSALS

1. STAFF

Organisers must be employees of the Affiliated Centre and will be responsible for the selection of participants, supply of course/meeting material, and other organisational matters.

Within the limits of the total budget of the course/meeting Organisers are encouraged to invite scientists, recognized internationally as leaders in their field of expertise, to contribute as senior course staff and/or meeting speakers.

2. ELIGIBILITY CRITERIA OF PARTICIPANTS RECEIVING ICGEB SUBSISTENCE AND TRAVEL GRANTS

Eligibility is exclusive to resident nationals of the ICGEB Member States (see Annex A). At *least half* and preferably two thirds of the participants are requested to be resident nationals from countries other than that of the Affiliated Centre hosting the course/meeting.

Course students/meeting participants must have a basic knowledge of the theory and be involved in research on the subject matter of the course/meeting. Screening and selection of participants is the responsibility of the course/meeting Organiser.

3. FINANCIAL ARRANGEMENTS

ICGEB will contribute up to US\$25,000 to cover costs associated with: i) the travel and subsistence allowance of the invited lecturers/speakers; ii) living expenses and - in limited cases - travel grants for other participants (see Section 2); iii) expendable materials; iv) organisational expenses.

ICGEB funds **can not** be used to cover i) normal administrative and overhead expenses of the Affiliated Centre; ii) purchase of non-expendable materials; iii) costs of maintenance, repair, running or insurance of existing equipment and machinery; iv) salary support of the Organiser or any of the Affiliated Centre's staff; v) support to nationals from countries other than the ICGEB Member States.

Funds are sub-contracted by ICGEB to the Host Institute or to a collaborating organisation, which will be responsible for the administration of the grant. Accordingly, payments shall be made to the bank account of the same Institute; **funds are not transferable to accounts of private individuals.**

Instructions on the exact procedures of the contractual arrangements are forwarded to the Organiser and the pertinent financial authorities of the Affiliated Centre by ICGEB.

Payment of 80% of ICGEB's contribution will be made after receipt by ICGEB of the Preliminary Programme mentioned in Section 4 below, upon signature of the Contract by both Parties and submission of the relevant invoice, to the bank account of the Institution. The balance will be transferred to the same account upon receipt and acceptance by ICGEB of the Final Report mentioned in Section 4 below and the relevant invoice.

The budget, if other than the one submitted in this form, must be resubmitted together with the Preliminary Programme. Once funds are transferred, they must be utilized in accordance with the budget submitted by the Organiser.

4. REPORTS

A Preliminary Programme must be submitted by the Organiser to ICGEB prior to the commencement of the course/meeting.

This report should include information on:

- i) the meeting/course objectives and the meeting/course content;
- ii) the benefits to be derived from the meeting/course;
- iii) the topics and if applicable experimental techniques to be covered in the course;
- iv) the invited international speakers/lecturers;
- v) the number of local and foreign students;
- vi) the budget (not exceeding the amount granted and including a detailed break-down);
- vii) the bank account of the Institute to which the funds must be transferred (N.B. not a private individual's bank account).

The Affiliated Centre and the Organiser are requested to submit a Final Report at the end of the course/meeting, including:

- i) names, addresses and affiliation of the course staff/meeting speakers and course students/meeting participants;
- ii) course/meeting programme;
- iii) detailed information of the course/meeting topics (including bibliography);
- iv) evaluation of course/meeting by the Organiser and the participants;
- v) any manuals prepared specifically for the course/meeting;
- vi) a detailed statement of expenditures, itemizing each budget category;
- vii) any other pertinent information.

Reports must be forwarded promptly, certified by both the Affiliated Centre's Director or Chief Financial Officer and the Organiser, and must be accompanied by the relevant invoice.

ICGEB reserves the right to withhold payments if the above conditions are not met.

5. LANGUAGE

The course/meeting language should be **English**. No exceptions can be made without prior authorization by ICGEB.

6. ADVERTISING

Organisers are required to advertise the event as widely as possible, and give advance notice to all ICGEB Liaison Officers. Advertisements should indicate that the course/meeting is organised by the Affiliated Centre on behalf of ICGEB. Should additional financial assistance be received by other organisations/institutions the latter should feature in the programme and advertisements as co-sponsoring agencies.

For ICGEB internal use only
